

Career Education 8 & 9 Parent Letter

Dear Parent/Guardian,

I am excited to welcome your child to Career Education, a course designed to provide students with the essential knowledge and competencies for success in academics, the workplace, and everyday life. This course is uniquely tailored to emphasize the exploration and development of personal interests, passions, and competencies. In this course, students will actively engage in their learning journey, participating in meaningful interactions, conducting online research, and gaining valuable insights through field experiences. Career Education centers around the understanding that careers are not just destinations but continuous journeys involving lifelong planning and learning. Throughout the curriculum, students will lay the groundwork for self-awareness, career exploration, and the initiation of an integrated post-graduation plan, culminating in a Capstone Project in Grade 12.

To ensure a smooth and productive academic semester, I kindly ask you to review the course outline and expectations that can be found on my webpage www.ostoforov.weebly.com or through the RSS Teacher Websites located under the Parents & Students tab on the RSS homepage. I strongly encourage you to bookmark our class website for future reference. I diligently maintain my website daily, ensuring that course materials, agendas, crucial dates, and supplementary resources are readily accessible remotely. This will prove especially beneficial in the event of your child's illness or in case they misplace their homework. Once you've become acquainted with the information, your signature in the space provided below confirms your comprehension of the Career Education syllabus and its associated course expectations.

I am dedicated to enhancing communication and parental involvement in your child's education. Stay informed and engaged throughout the semester, and feel free to reach out with any questions or concerns. Contact me through the "Contact" tab on my website, via email, or by phone during regular school hours. Your feedback is important, and I am here to assist in any capacity. Thank you for your continued support in nurturing your child's educational journey. Together, we can make this a successful and rewarding academic year.

Sincerely,

Jason Ostoforov
